

One-Point Perspective Notes for Quiz

Perspective:

“the technique or process of representing on a plane or curved surface the spatial relation of objects as they might appear to the eye

specifically : representation in a drawing or painting of parallel lines as converging in order to give the illusion of depth and distance”

Vanishing Point:

“A point at which receding parallel lines seem to meet when represented in linear perspective”

Horizon Line:

“The line where the earth seems to meet the sky : the apparent junction of earth and sky”
